the latest news and happenings

" Since I've been staying in the OHRA shelter, I've held down a permanent job that I really like, I have a hot shower before I go to work and a warm bed to sleep in. This is the best blessing I've ever received and words cannot express how happy and thankful I am for this OHRA being here"

-OHRA guest

Greetings!,

Wow! We asked and you stepped up. Our fall/end of year campaign was a great success thanks to so many of you who donated. We know times are challenging economically, yet many of you gave again and most of you even upped previous giving. Thank you! We so appreciate your generosity and commitment to OHRA's mission. More importantly though, is that your generosity impacts people in need. Homelessness and housing instability are rampant, yet with your help OHRA is making inroads every single day in Ashland and our surrounding communities. In our second quarter alone, over 1,200 people received services in our walk-in resource center and more than 500 received housing services and assistance. As we continue to coordinate state, county, and local resources to improve our community's health and wellbeing, your support has a direct positive impact. We can't do this without you!

Another Housing Success...An Apartment for Paula

The holidays were especially bright for Paula. Shown here with her navigator Andy, Paula received keys to her new apartment the morning we were decorating the lobby holiday tree. Her smile really says it all. That afternoon Andy was assisting her to pack up and prepare for her move. We're so happy for Paula and wish her the best!
