

Greetings!,

Thank you for being a part of the OHRA community this year! Your support has already made an incredible difference. Each and every day we see the impact your dollars make, whether it's direct support for projects like our kitchen or creating a sense of community and home for our guests. Read below for just some of the activity around the Shelter and Center in the last few weeks.

Holiday Festivities

Last week staff and guests had a merry time decorating our lobby tree. Watch the short video below. [CLICK HERE](#) (and make sure to view in full screen mode)

We Have Walls!

(the good kind)

The kitchen is starting to take shape with electrical, plumbing, drywall and more. Stay tuned for updates. Better still, stop by for a tour. E-mail us or give a call. We would love to show you around.

And Finally, A Reminder...*last chance for a tax break*

With only three weeks on the job as OHRA's new Executive Director, I continue to be humbled by the community's support of OHRA and its mission. Without you, we would not be where we are today, continuing to work along with our many partners to support those most vulnerable among us.

I would also be remiss if I didn't share that with just a few weeks left in December, the upcoming year-end tax deadline for your annual charitable giving is fast approaching. Any amount you gift to OHRA not only helps us fulfill our mission, but can also provide you with valuable tax benefits.

So, as we prepare to turn the page to the coming year, if you haven't already done so, we invite you to make one final, impactful gesture.

By contributing now, you can help us start the new year on a strong footing, ready to make the most of the opportunities ahead and continue making a positive impact.

We can't wait to see what we'll achieve together in the year to come. Until then, let's make the most of these last few days of 2024.
